

## OUR MISSION

Christian Miss helps young women shine bright in this world by becoming positive, bold, and uncompromising role models. Our program is designed to help each participant discover the greatness that already lies inside of her and use it to change the world. Participants will:

- Develop important life skills that will help them fulfill their life's purpose
- Use their God-given abilities confidently before anyone.
- Become a positive voice for their generation.

Christian Miss affords girls ages 4-24 the opportunity to develop and/or improve their public speaking, interview, presentation, and performance skills through a combination of workshops, on and off-stage competitions, and community service projects. We want to assist families that embrace, respect and appreciate Christian values- families that want their girl(s) to participate in a program that will help them stand as morally sound leaders and role-models for their generation.

## OUR MESSAGE

Through our outreach program, Tiny Temples, Christian Miss spreads a message of wholeness-encouraging health of the mind, body, and soul. We know that developing healthy habits at a young age contribute to healthy living in one's adult years. Therefore, we promote the importance of eating right, staying active and living well with an emphasis on increasingly growing as a Christian at all stages of life.

We are also aware that there is stigma surrounding many health issues, and we choose to combat the stigma associated with mental health in our nation. We believe education and encouragement can contribute to better awareness of common mental health challenges children face, improve the utilization of available resources, and increase the number of voices speaking out against mental health stigma.

FAITH-BASED PAGEANTRY FOR YOUNG WOMEN AGES 4-24

Dear Potential Sponsor,

We are pleased to introduce you to one of our delegates who will be competing at the Christian Miss National Pageant this summer!

Christian Miss is a program that prides itself on helping young women impact generations for Christ. Our delegates are academic achievers, positive role models, and leaders in their communities.

We stress age-appropriateness and natural beauty (beauty that shines from within) during all of our competitions. Our competitions serve the purpose of improving communication, presentation, and promoting service to others.

Please consider helping the young lady who contacted you, with a donation towards her sponsorship fee. You will be listed in our program book as a sponsor. Businesses may claim this donation as a tax-deductible advertising expense. Thank you in advance for your support!

Sincerely,

*Yvette Barnes*

National Director

## Why Girls Choose Christian Miss

1. At Christian Miss, girls are not only celebrated for who they are, but they also meet new friends, gain important life skills, like communication and presentation, and participate in workshops that help them continue to grow into who they were created to be.
2. We hold ourselves accountable to each other and God. Our competitions are fair, and all serve a purpose. The Greatness that lives inside of each girl will be showcased as they let their light shine by sharing their heart's passions.
3. Service to others is HUGE in our program. Through our outreach platform and each delegate's chosen service efforts, girls will be a part of a program that definitely does what Philippians 2:4 advises: "Let each of you look not only to his own interests, but also to the interests of others."

Thank  
YOU!

4. Our pageant system knows Christian girls can be cute, trendy and fashionable. We encourage our girls to look as great on the outside as they do on the inside. We encourage trendy style and fashion and require age-appropriateness. We have a saying at Christian Miss: all the glam, but none of the vanity. Bling is our thing, arrogance and pride are not!
5. Our state, regional, and city titleholders will receive a sash and crown to help promote themselves and their causes in their community.
6. We have seven age divisions, nearly 42 national titles to award, and five prize packages which will include a cash award for our division queens.
7. Our national pageant will be held at one of the greatest indoor family resorts in our nation, Great Wolf Lodge Illinois. It will be four days of "howling" family fun.
